**Our Lady of Perpetual Help Catholic School forms leaders of tomorrow
by expanding minds, touching hearts and nurturing spirits
through the traditions and teachings of the Catholic faith.**

Dear Our Lady Families,

We're almost there! The school year flies! Please work with us to keep students well-rested and ready for school. We still have many projects and exams, special events and Masses. We particularly keep our eighth graders in prayer through these final days at Our Lady that they give their best, make good choices and enjoy the many special events in their honor.

Class Lists. If you are unsure if you have registered your child for the 2018-19 school year, please call Connie Andres in the school office, 812/944-7676. We will not be able to place students into classes who have not submitted pre-registration forms. Please send in your form and \$75.00 fee before the last day of school. Forms are on the website, or call the school office if you need a hard copy. Thanks.

Delinquent Accounts. With the end of the 2017-18 school year quickly approaching, it is essential that all outstanding debts (i.e. tuition, afterschool care, cafe, etc.) be paid in full before the last day of school. Report cards will not be provided to families with outstanding debt. If you have questions or need a balance due, please call Connie Andres at the school office at 812/944-7676.

Summer Learning. Please plan to keep learning going throughout the summer weeks by signing up for the NAFC Library's summer reading program, completing a Summer Solutions or other workbook, working with a tutor or spending time on learning apps. To order a Summer Solutions workbook go to www.SummerSolutions.net and enter school code H47150OLP. Shipping is free to your house and books are available for students Pre-K through Grade 8.
